Making Molehills out of Mountains – Leadership Strategies that Work!

We've all done it. We make little things into big things and soon those little molehills turn into huge mountains that keep us from accomplishing what we want to do in life.

Adapted from Andrew's award-winning book by the same name, learn the leadership strategies that reduce your work without reducing your goal. Become more efficient and effective in building teams, pursuing goals and achieving success. The perfect message for individuals and organizations looking to make the most of every opportunity!

Key Takeaways:

- Learn strategies to reduce work without reducing your goal
- Implement ways to increase team synergy and optimize results
- Increase leadership communications skills that emphasize a team approach
